ADMINISTRATIVE STAFF REPORT

Subject: Skate Town Lift Station Rehabilitation

Subject Background: Four (4) sealed bids were received and publicly opened on May 30, 2018. The scope of work consists of replacement of all interior components within the wet-well and valve box, along with new exterior by-pass pumping assembly.

Skate Town Lift Station is one of the main stations which pumps raw wastewater from FCI, Sunland, etc., back to the WWTP. The project is needed in order to replace existing corroded ductile iron piping with new stainless steel piping.

Sealed bids were obtained as follows:

Martin Construction, LLC	\$67,725.00
Gulf Coast Utility Contractors	\$94,750.00
Gulf Coast Underground, Inc.	\$91,880.00
North Florida Construction Co., Inc.	\$123,518.00

Martin Construction LLC, has successfully completed sewer force main rehabilitation projects for the City at the Cedar St. Lift Station; Booker St. Lift Station and Swimming Pool Lift Station (located inside Sunland).

This is a budgeted item with funds being taken from wastewater capital expenditure line item.

Recommendation: Approve low bidder Martin Construction, LLC, in an amount not to exceed \$67,725.00.

Potential Motion: I move to recommend approval for Martin Construction, LLC, in an amount not to exceed \$67,725.00.
