ADMINISTRATIVE STAFF REPORT

Subject: Hurricane Michael Fence Repairs

Detail: The attached quotation from J&P Fence, Inc. is to repair hurricane damage(s) to chain link fence at various lift stations, water wells, ground storage tank, wastewater treatment plant on Davey St., and public works facility on South St.

Quotes have been obtained or were attempted to be obtained as follows:

J&P Fence, Inc.	\$39,577.00
American Imperial Fence, Inc.	Decline to bid
Dixie Fence, Inc.	Decline to bid
Tri-State Fence	Decline to bid

Staff requests to deviate from the City purchasing policy as lack of restricted access at these locations could pose a safety and/or security risk. Staff attempted but was unable to obtain quotes from fence companies as listed via telephone solicitation. The companies either did not answer call attempts; stated they were not taking new work until new year 2019; stated they were not interested in providing quotes; or were otherwise non-responsive.

Reimbursement from our insurance carrier or FEMA is expected to be provided on these covered locations.

Recommendation: Approve scope of work for fence repairs as submitted by J&P Fence, Inc., in an amount not to exceed \$39,577.00.

Potential Motion: I move to recommend approval for J&P Fence, Inc., in an amount not to exceed \$39,577.00.
